REGARDING ACT 53-2021 AND (II) DEADLINE FOR OBJECTIONS**

PLEASE TAKE NOTICE that, on July 30, 2021, the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), as the sole Title III representative of the Commonwealth of Puerto Rico (the “Commonwealth”), the Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS”), and the Puerto Rico Public Buildings Authority (“PBA,” and, together with the Commonwealth and ERS, the “Debtors”) pursuant to section 315(b) of the *Puerto Rico Oversight, Management, and Economic Stability Act* (“PROMESA”),² filed the *Seventh Amended Joint Title III Plan of Adjustment of the Commonwealth of Puerto Rico, et al.* [ECF No. 17627] (as amended, supplemented, or modified from time to time, the “Plan”).³

¹ The Debtors in these Title III Cases, along with each Debtor’s respective Title III case number and the last four (4) digits of each Debtor’s federal tax identification number, as applicable, are the (i) Commonwealth of Puerto Rico (Bankruptcy Case No. 17-BK-3283-LTS) (Last Four Digits of Federal Tax ID: 3481); (ii) Puerto Rico Sales Tax Financing Corporation (“COFINA”) (Bankruptcy Case No. 17-BK-3284-LTS) (Last Four Digits of Federal Tax ID: 8474); (iii) Puerto Rico Highways and Transportation Authority (“HTA”) (Bankruptcy Case No. 17-BK-3567-LTS) (Last Four Digits of Federal Tax ID: 3808); (iv) Employees Retirement System of the Government of the Commonwealth of Puerto Rico (“ERS”) (Bankruptcy Case No. 17-BK-3566-LTS) (Last Four Digits of Federal Tax ID: 9686); (v) Puerto Rico Electric Power Authority (“PREPA”) (Bankruptcy Case No. 17-BK-4780-LTS) (Last Four Digits of Federal Tax ID: 3747); and (vi) Puerto Rico Public Buildings Authority (“PBA”) (Bankruptcy Case No. 19-BK-5523-LTS) (Last Four Digits of Federal Tax ID: 3801) (Title III case numbers are listed as Bankruptcy Case numbers due to software limitations).

² PROMESA is codified at 48 U.S.C. §§ 2102–2241.

³ Capitalized terms used but not defined herein have the meanings given to them in the Plan.

PLEASE TAKE FURTHER NOTICE that a hearing to consider confirmation of the Plan (the “Confirmation Hearing”) will be held before the Honorable Judge Laura Taylor Swain, United States District Judge, via video and telephonic hearing, on **November 8–10, 12, 15–18, and 22–23, 2021 at 9:30 a.m. (Atlantic Time)**, to the extent the Confirmation Hearing is not earlier concluded.

PLEASE TAKE FURTHER NOTICE that, on October 26, 2021, the Governor of the Commonwealth of Puerto Rico signed Act 53-2021 into law. **PLEASE TAKE FURTHER NOTICE THAT THE OVERSIGHT BOARD WILL SEEK RULINGS AT THE CONFIRMATION HEARING THAT THE DEBT AUTHORIZATION IN ACT 53-2021 IS CONDITIONED ONLY ON THE PLAN’S CANCELLATION OF THE MONTHLY BENEFIT MODIFICATION (AS DEFINED IN THE PLAN), AND DOES NOT REQUIRE CANCELLATION OF (I) THE ELIMINATION OF COST OF LIVING ADJUSTMENTS AND/OR (II) FREEZES OF ACCRUAL OF DEFINED BENEFITS UNDER THE TEACHERS’ RETIREMENT SYSTEM OR THE JUDICIARY RETIREMENT SYSTEM FROM AND AFTER THE PLAN’S EFFECTIVE DATE.**

PLEASE TAKE FURTHER NOTICE that the Oversight Board’s rationale for requesting the rulings set forth above are as follows: (a) Section 104 of Act 53-2021, in pertinent part, provides: “employees, it is hereby provided as follows: “...The Legislative Assembly authorizes the issuance of the General Obligation Bonds and CVIs subject to the FOMB filing an amended Plan for confirmation by the Title III Court that eliminates the Monthly Benefit Modification...” (b) Section 605 of Act 53-2021, in pertinent part, provides: “...The effectiveness of this Law is conditioned to the FOMB filing an amended Plan for confirmation by the Title III Court that eliminates the Monthly Benefit Modification as defined in the Plan...” (c) Article 102(qq) of Act 53-2021 refers to a definition of Monthly Benefit Modification, but Article 102 does not in its definitions refer to or define any of (i) defined benefits, (ii) cost of living adjustments, or (iii) freeze. (d) A search of the English translation of Act 53-2021 did not locate any of the words or phrases defined benefit, cost of living, or freeze. (e) The Statement of Motives in Act 53-2021 includes a sentence providing the law: “includes zero cuts to pensions of current retirees and current accrued benefits of active public employees and a desire to promote the welfare of the people of Puerto Rico.” By referring to zero cuts to current retirees and to “current accrued benefits of active public employees,” the Oversight Board believes the statute very carefully protects current pension levels, but not subsequent levels that are cut off by the freeze of defined benefits. (f) Freezing defined benefits saves billions of dollars during the certified fiscal plan and it is unlikely the Legislature would require elimination of such large savings without mentioning it by name. By analogy, the United States Supreme Court has observed that Congress does not “hide elephants in mouseholes.” (*Whitman v. Am. Trucking Ass’ns*, 531 U.S. 457, 468 (2001)). We believe requiring the elimination of defined benefit accruals without mentioning them would be like hiding an elephant in a mousehole. (g) Act 53-2021 includes a sentence in Article 605 providing: “...The continued effect of this act is contingent upon zero cuts to pensions.” For all the foregoing reasons, the Oversight Board submits the only possible meaning of “zero cuts to pensions” is the elimination of the Monthly Benefit Modification, and does not mean the freeze of defined benefits or the cancellation of cost of living adjustments must be eliminated.

PLEASE TAKE FURTHER NOTICE that, on November 1, 2021, the Oversight Board filed the *Urgent Motion of the Financial Oversight and Management Board for Puerto Rico for Order (I) Approving form of Notice of Rulings the Oversight Board Requests at Confirmation Hearing Regarding Act 53-2021 and (II) Scheduling Objection Deadline* [ECF No. 19002] (the “Motion”), seeking Court approval of certain procedures and deadlines in connection with the Oversight Board’s requested rulings described above. A copy of Act 53-2021 is attached to the Motion as Exhibit B. On November 2, 2021, the Court entered an order granting the Motion [ECF No. 19017] (the “Order”).

PLEASE TAKE FURTHER NOTICE that, pursuant to the Order, any objections or responses to the Oversight Board’s requested rulings shall (i) be in writing and signed; (ii) state the name, address, whether the objectant is a past or present employee or retiree of the Government, or any other standing for its objection; (iii) state clearly the rationale for the objection; (iv) be filed with the Court, together with proof of service, and served on the following parties so as to be actually received no later than the Objection Deadline, **November 12, 2021, at 5:00 p.m. (Atlantic Time)**: (a) counsel to the Oversight Board, Proskauer Rose LLP, Eleven Times Square, New York, NY 10036, Attn: Martin J. Bienenstock and Brian S. Rosen, and (b) counsel to AAFAF, O’Melveny & Myers LLP, Times Square Tower, 7 Times Square, New York, NY 10036, Attn: John J. Rapisardi, Peter Friedman, and Maria J. DiConza.

PLEASE TAKE FURTHER NOTICE that the deadline for filing replies in support of the Oversight Board’s requested rulings is **November 15, 2021**.

NOTIFÍQUESE que, el 30 de julio de 2021, La Junta de Supervisión y Administración Financiera para Puerto Rico (la “Junta de Supervisión”), como representante exclusivo para el Título III del Estado Libre Asociado de Puerto Rico (el “Estado Libre Asociado”), el Sistema de Retiro de los Empleados del Gobierno del Estado Libre Asociado de Puerto Rico (“SRE”), y la Autoridad de Edificios Públicos de Puerto Rico (“AEP”, y, junto con el Estado Libre Asociado y el SRE, los “Deudores”) de conformidad con la Sección 315(b) de la *Ley de Supervisión, Administración y Estabilidad Económica de Puerto Rico* (“PROMESA”),² radicó el *Séptimo Plan de Ajuste Enmendado de Título III del Estado Libre Asociado de Puerto Rico, y otros*. ² PROMESA se encuentra codificada en 48 U.S.C. §§ 2102–2241.

³ Los términos en mayúscula que se usan pero que no se definen en el presente tendrán los significados que se les atribuyen en el Plan.

NOTIFÍQUESE ASIMISMO que se celebrará una vista para examinar la confirmación del Plan (la “Vista de confirmación”) ante la Honorable Juez Laura Taylor Swain, Juez de Distrito de Estados Unidos, mediante comunicación de video y telefónica, el **8–10, 12, 15–18, y el 22–23 de noviembre de 2021 a las 9:30 a.m. (hora del Atlántico)**, en caso de que la Vista de Confirmación no concluya con anterioridad.

NOTIFÍQUESE ASIMISMO que el 26 de octubre de 2021, el Gobernador del Estado Libre Asociado de Puerto Rico promulgó la Ley 53-2021. **NOTIFÍQUESE ASIMISMO QUE LA JUNTA DE SUPERVISIÓN SOLICITARÁ EN LA VISTA DE CONFIRMACIÓN QUE SE EMITA UNA DECISIÓN PARA QUE LA AUTORIZACIÓN DE ENDEUDAMIENTO DE LA LEY 53-2021 TENGA COMO ÚNICA CONDICIÓN LA CANCELACIÓN EN EL PLAN DE LA MODIFICACIÓN DE LOS BENEFICIOS MENSUALES (TAL COMO SE DEFINEN EN EL PLAN), Y NO REQUIERA LA CANCELACIÓN DE (I) LA ELIMINACIÓN DE LOS AJUSTES POR EL COSTO DE VIDA Y/O (II) LOS CONGELAMIENTOS DEL DEVENGO DE BENEFICIOS DEFINIDOS CONFORME AL SISTEMA DE RETIRO DE MAESTROS O EL SISTEMA DE RETIRO DEL PODER JUDICIAL A PARTIR DE LA FECHA DE ENTRADA EN VIGOR DEL PLAN, INCLUSIVE.**

NOTIFÍQUESE ASIMISMO que los fundamentos para la solicitud de las decisiones antes mencionadas por la Junta de Supervisión son los siguientes: (a) la Sección 104 de la Ley 53-2021, en la parte pertinente, dice “los empleados, se dispone por el presente lo siguiente: “la Asamblea Legislativa autoriza la emisión de los Bonos de Obligaciones Generales y CVI sujeto a la radicación por parte de la Junta de Supervisión de un Plan enmendado para su confirmación por parte del Tribunal de Título III que elimina la Modificación del Beneficio Mensual...”; (b) la Sección 605 de la Ley 53-2021, en su parte pertinente, dispone: “... La vigencia de esta Ley tiene como condición la radicación por parte de la Junta de Supervisión de un Plan enmendado para su confirmación por parte del Tribunal de Título III que elimina la Modificación del Beneficio Mensual tal como se define en el Plan...”; (c) el Artículo 102(qq) de la Ley 53-2021 hace referencia a una definición de la Modificación del Beneficio Mensual, pero el Artículo 102 no se refiere en sus definiciones ni define ninguno de los (i) beneficios definidos, (ii) ajustes por el costo de vida, o (iii) congelamientos; (d) Una búsqueda en la traducción al inglés de la Ley 53-2021 no ha detectado ninguna mención a las frases o palabras “beneficio definido”, “costo de vida” o “congelamiento”; (e) la Declaración de Motivos de la Ley 53-2021 incluye una frase que dispone que la ley “incluye cero recortes a las pensiones de los actuales retirados y los beneficios devengados actuales de empleados públicos en actividad y un deseo de promover el bienestar del pueblo de Puerto Rico”. Ante la referencia a cero recortes para los retirados actuales y los “beneficios devengados actuales de empleados públicos en actividad”, la Junta de Supervisión considera que la ley protege muy cuidadosamente los niveles actuales de pensiones, pero no los niveles subsiguientes que se ven recortados por el congelamiento de los beneficios definidos; (f) El congelamiento de beneficios definidos ahorra miles de millones de dólares durante el plan fiscal certificado y es improbable que la Legislatura requiera la eliminación de tales grandes ahorros sin mencionarlo específicamente. Por analogía, la Corte Suprema de Estados Unidos ha observado que el Congreso “no oculta elefantes en cuevas de ratones”, (*Whitman c. Am. Trucking Ass’ns*, 531 U.S. 457, 458 (2001)). Creemos que el requisito de la eliminación del devengo de beneficios definidos sin mencionarlos específicamente sería como ocultar un elefante en una cueva de ratones; (g) la Ley 53-2021 incluye una oración en el Artículo 605 que dispone “la continuación de la vigencia de esta ley dependerá de cero recortes en las pensiones”. Por todas las razones que anteceden, la Junta de Supervisión sostiene que el único significado posible de “cero recortes a las pensiones” es la eliminación de la Modificación de Beneficios Mensuales, y no significa que el congelamiento de beneficios definidos ni la cancelación de los ajustes en el costo de vida deban ser eliminados.

NOTIFÍQUESE ASIMISMO que el 1 de noviembre de 2021, la Junta de Supervisión radicó la *Moción Urgente de la Junta de Supervisión y Administración Financiera para Puerto Rico para una Orden*

que (I) apruebe la forma de Notificación de Decisiones solicitadas por la Junta de Supervisión en la Vista de Confirmación con respecto a la Ley 53-2021 y (II) establezca la Fecha Límite para Presentación de Objeciones [ECF Núm. 19002] (la “Moción”), que procura obtener la aprobación del Tribunal para ciertos procedimientos y fechas límite en relación con las decisiones solicitadas por la Junta de Supervisión que se describen anteriormente. Se adjunta una copia de la Ley 53-2021 a la Moción como Anexo B. El 2 de noviembre de 2021, el Tribunal radicó una orden que concede la Moción [ECF Núm. 19017] (la “Orden”).

Bienenstock y Brian S. Rosen, y (b) los abogados de AAFAF, O’Melveny & Myers LLP, Times Square Tower, 7 Times Square, Nueva York, NY 10036, Atn: John J. Rapisardi, Peter Friedman, y Maria J. DiConza.

NOTIFÍQUESE ASIMISMO que la fecha límite para la radicación de respuestas en respaldo de las decisiones solicitadas por la Junta de Supervisión es el **15 de noviembre de 2021**.
